If you have not already seen the Veterans' Memorial Book that is on display at the Welcome Center, be sure to stop by and look through it. It contains photos and biographies of our NB members who served in the military, as well as some photos and biographies of some of our relatives and loved ones. There are some remarkable stories contained in this book. We will continue to highlight individuals in this area of *Lifelines* each week.

This Memorial Book is a wonderful tribute to all our veterans. It was prepared and produced by Skip Malone.

## NB Youth Ministry . . .

Each summer, the nbyg is served by interns. The nbyg which LAST year had 248 students has now grown to 283 students, and with 6th graders being allowed to participate in certain events, this means we will have over 300 teens in our care during the summer months! SO, this summer for the FIRST time ever, we have FOUR interns. Two will serve our HIGH SCHOOL students and TWO will serve our MIDDLE SCHOOL students. In last week's article we introduced you to RACHEL BOWEN and JUSTIN SIMS (HIGH SCHOOL INTERNS). In THIS week's article, I'd like you to meet our MIDDLE SCHOOL interns...

### Meet MELODY JETT who is our first time MIDDLE SCHOOL GIRLS Intern:

I have lived most of my life in Smyrna, TN. I was homeschooled throughout high school and I am now a senior at MTSU. I will be graduating with a degree in Biology, and I will attend Physical Therapy school. This summer will be a brand new experience for me, and I am so excited to be a part of what God is doing in the North Boulevard youth group!

"Though the mountains be shaken and the hills be removed, yet my unfailing love for you will not be shaken nor my covenant of peace be removed, says the Lord, who has compassion on you."  
-- Isaiah 54:10

I love this verse! In the verse before, this promise is compared to the promise given to Noah that God would never flood the earth again. Just like that, God promises that his unfailing love for us will not be shaken, and his covenant of peace will not be removed. This is a great promise to remember no matter what season of life you're in, good or bad. We carry God's love and peace with us wherever we go. All we have to do is choose to walk in it.

### Meet BEN HIGGINS who is our MIDDLE SCHOOL GUYS Intern:

I am originally from the state of Kentucky, but have lived most of my life in Hendersonville, TN and grew up at Hendersonville Church of Christ. I just graduated from Tennessee Tech University with a Bachelors Degree in Psychology, and I am currently working through my options for this coming fall. This is my second consecutive summer working with the teens here of the NBYG, and I could not be more excited and honored to be back again. Working with these teens provides a front row seat to watching the Spirit move, and that is what I wish everyone could see and experience. It is truly life changing. Our goal is to make ourselves available to be instruments of the Father and point out the Spirit as it moves in the lives of these teens and this community.

"You were taught, with regard to your former way of life, to put off your old self, which is being corrupted by its deceitful desires; to be made new in the attitude of your minds; and to put on the new self, created to be like God in true righteousness and holiness." --Eph. 4:22-24

With the decision of becoming a Christian, we are called to completely relinquish our personal desires and be more than what this world wants us to be, and sometimes even more than what we expect from ourselves, which is not an easy feat. This verse serves as a challenge for me to continually shed the lies and traps of this world which are so easy to get tangled in. Our narrow paths become more visible when we hold the hand of our Savior and let Him lead the way Home for us.
